Hope everyone enjoyed their spring break. We are in the final stretch of a very challenging, yet rewarding year and we have lots of fun events coming up so keep an eye out for communication from school so you don’t miss out!

**Staff Appreciation Week–May 2nd-May 6th**
Be on the lookout for more information on how you and your child can appreciate Eisenhower's hardworking staff. PTA organizes this amazing week and it's a great opportunity to thank your teacher and any other staff member who have made a difference this year.

**Walk-a-thon**
This is our most important and biggest fundraiser of the year!! This helps fund our art, music and Recess101 Coach for the whole year. Please get your student involved in this fun activity. (see PTA flyer below).

**Open House**
This is going to look different than in past years. Parents won't be going into the classrooms this year, but we will be opening up our campus for the evening on Friday, May 20th @ 5PM for an ice cream social, art gallery, and socialization with our teachers and staff. This is our first on campus community event this year and we hope you can all make it. Details to follow.

**Dance Festival**
MARK YOUR CALENDARS for this fun tradition. Eisenhower has had a Dance Festival for over 65 years! Each grade level will be performing a dance and so will our staff. This will take place on May 27th @ 9AM at Maywood Circle behind our portable buildings. Hope to see you there!

**CAASPP testing** is upon us for our 3rd-5th graders. This test is taken online and it has a math and lang arts component. 5th graders also have a science test. Your teacher will be letting you know the schedule for your child’s specific class. Please make sure your child gets a good night’s sleep and has something to eat in the morning, so they are set up to focus.

**Afterschool help** is being offered by the district. If your child needs extended learning time on an assignment or support in a subject area, there are virtual sessions available to all CUSD students. [Here](#) is a link that has the schedule and google meet links. No sign up is required, just drop in when needed.

**Reminder:** Our weather is changing so please remember to send a LABELED refillable water bottle with your child every day!!

Warmly,
Joanne Conner, Principal

We are requesting donations of new or gently used clothing for boys and girls
(ages 4-8yrs) for our Nurse room. We are in need of tights, shorts, pants, and
basic t-shirts. We also require NEW underwear for 4-8 years old boys and girls.
Please drop off your donations at the school office.

Recess 101

This week's game of the week is Tennis Baseball! This is a brand new game for a lot of our little Eagles and they are loving it.

• You Will Need •
  - Tennis Racket
  - Tennis Ball
  - 4 Bases
  - 1 Pitcher
  - Water

In this game there’s only 2 teams, the Hitting team and the Outfield team. The hitting team will hit the ball first as far as they can, then the hitter must run and touch all 4 bases to try and score a home run while the outfield players try and recover the tennis ball before the hitting team scores. The pitcher will throw the ball to whoever is up to hit at home base and the pitcher is also the receiver for the outfielders trying to get the hitter out. When the hitter is running they must not stop at a single base because it is home runs only. Now if you are an outfielder it is your job to recover the tennis ball once it has been hit and rush to get it back in the pitcher's hand before the opposing team scores a point. And lastly make sure both teams have fun, everyone should get a chance to hit and run after the ball to get someone out.
FRIENDLY REMINDERS

Important:
Please remember to pack a water bottle for your student. We can longer provide one-time use water bottles to students. Our water fountains remain closed for use but students can refill their water bottles at the water filling station that dispenses cool filtered water.

Absences due to a fever, cough, cold, sore throat, headache, body aches, nausea, vomiting, or diarrhea will require a negative covid test before returning to school. Please upload the negative result using this link:
